

INDRAPRASTHA INSTITUTE OF INFORMATION TECHNOLOGY, DELHI

COURSEWORK PROJECT

STUDY BRIEF

I, Arnav Kumar, am a student pursuing a B.Tech. degree in **Computer Science and Applied Mathematics** from Indraprastha Institute of Information Technology, Delhi. As a part of my academic curriculum, I am carrying out a research to study **Inhibition of Return , as a part of course project of PSY305 (Attention & perception)**. For this purpose, I would like to request you to kindly spare some of your valuable time to perform a simple experiment.

You are requested to kindly read the instructions carefully before you begin the experiment. Your sincerity and thoroughness in answering the questions will be much appreciated and will prove essential to the successful completion of my degree coursework.

Please be ensured that your identity as well as your responses would be kept absolutely confidential and would be used purely for academic purposes. Your responses would be integrated into a summary of results and none of the participants of this study would be individually identified.

Please also know that you reserve the right to quit at any point during the course of the study, and you would not be questioned regarding the same.

If you agree to be a part of this study, kindly fill out the consent form on the next page.

CONSENT FORM

I agree voluntarily and without any pressure, to take part in this study. I understand that my data will be integrated into a summary of the results of the study, without identifying me personally.
